

EX-KAISER TO WED IN MILITARY GARB

Will Wear Scarlet Uniform.
Army of Guards Turns
Back Curious

Doorn, Holland, Nov. 3.—William Hohenzollern, who still enjoys by local courtesy the title of kaiser, has succeeded in intruding himself against the wishes of the Dutch government in preparations for his wedding next Sunday to Princess Hermine of Reuss. The grounds are surrounded by a bank of evergreens. The grounds are surrounded by a tall meshed fence surmounted with barbed wire. William has a number of trusty bodyguards. Rigid Prussian discipline is maintained among the forty-old servants, who are ruled with a rod of iron by Count von Mollath, the marshal of the "court."

entrance of the castle, and this will be the processional road for the wedding cortege from the lodge "or barracks" where the civil ceremony will be performed. The religious ceremony has been changed by the removal of the partition walls of two adjoining rooms to accommodate the fifty or sixty guests expected to attend. Dr. Vogel, of Potsdam, former court chaplain, will pronounce the nuptial benediction. An altar and lectern have been moved into the hall from the family chapel, long unused, which stands a little distance from the house. Plants and flowers from the ex-Kaiser's hothouses have been placed in the festal hall, making a pleasing contrast against the floors and walls of white Italian marble. The majority of the German guests not belonging to William's immediate family circle are not expected to arrive until Saturday and will leave on Sunday, the former Crown Prince alone staying until Wednesday. Among those expected today is William's sister, former Queen Sophie of Greece. The wedding breakfast will be prepared by a staff of German cooks and will be served at one long table decorated with maidenhair ferns and red roses. The bridal bouquet, from the castle hothouses, will be of mauve orchids and white carnations. William's favorite shade of mauve is also carried out in the bridal costume, while he himself will wear the scarlet uniform of a guard's regiment.
